05/87 – Present     **Davis Inspection Services, LLC, Clarkston, MI**  
**Owner / Inspector**

Conduct inspections of homes and commercial buildings. Specializing in historic homes and commercial buildings. Diagnose defects and deficiencies. Prepare documentation outlining inspection findings. Advise clients of findings. Collate and highlight photographic evidence discovered during inspections. Prioritize the urgency of needed repairs and replacements discovered during inspections. Generate written reports of findings to clients. Calculate and assign cost estimates for repairs and replacements of defects and deficiencies. Investigate and report construction defects and deficiencies. Serve as expert witness regarding residential and commercial construction, maintenance and repairs. Consult with clients during the new construction or remodeling stage. Test for Radon. Evaluate conditions conducive for mold and determine cause and origin. Test for mold. Test water for contaminants. Train and educate others in construction inspection techniques. Serve as an expert witness in construction, life safety risks, property preservation, mold, environmental and emergency disaster scenarios. Advise on contaminant and hazardous material diagnoses, containment and remediation. Participate in continuing education and training to remain current with inspection procedures and practices, new construction materials, and construction methods. Continually renew appropriate licenses and certifications to provide honest, unbiased and accurate information during inspections.

06/21- Present     **Springfield Township Fire Department, Springfield Township, MI**  
**Fire Marshal/Fire Inspector/Incident Safety Officer/Firefighter**

Design and develop a digital fire inspection reporting platform to establish pre-incident plans, document hazardous material inventories and document violations found during fire inspections. Review blueprints and enforce fire code and life safety concerns for existing commercial and retail renovations and new builds. Supervise and manage inspection of properties to ensure that they are in compliance with the existing applicable fire codes, ordinances, laws, regulations, and standards. Testify in court regarding violations. Train and certify on all fire response apparatus and tools, Drive and operate fire trucks and other emergency vehicles. Respond to emergency calls to affect rescue, protect life and property. Follow direction from superiors during emergency response to ensure unity of command and team effort to accomplish tasks with minimal life safety risk and maximum property conservation. Act as Incident Safety Officer reducing safety risk on fire ground and firefighter training activities. Test and operate water hoses, fire extinguishers, apparatus and pumps, and all firefighting tools and equipment. Establish rehabilitation areas for emergency responses. Prepare and monitor written reports on emergency incidents, status of condition, hazards and risks to be submitted to the incident commander (IC). Communication with the IC for additional safety support. Assess traffic hazards and apparatus placement. Monitor radio transmissions. Clean and maintain equipment. Monitor conditions, operation, and other activities. Make sure that the accountability system is being utilized. Provide a risk assessment of incident scene operation using the incident action plan (IAP), Assure the establishment of safety zones, hot zones, collapse zones, and other hazard areas. Participate in maintenance duties and attend in-service training classes, practical's and recertifications to remain current in knowledge and efficiency of firefighting operations and procedures, fire and life safety inspection codes, laws, ordinances, and regulations. Ensure that all assigned personnel, apparatus, and equipment are in a state of readiness to respond to emergency incidents and provide assistance to the general public. Develop, implement, and oversee a comprehensive fire prevention division. Coordinate community risk reduction programs with those that have been assigned those job performance requirements. Evaluate fire prevention division activities and goals on a regular basis and recommend adjustments as appropriate. Oversee and review the annual inspection and reinspection program. Interpret codes and mitigate solutions for fire prevention and suppression personnel. Develop, implement and conduct procedural methods and practices for reviewing plans, conducting inspections, and assisting when requested by the Sheriff's Department on fire loss incidents. Conduct field inspections of construction projects and inspect buildings and facilities as necessary. Evaluate and enforce existing fire safety conditions in federal, state, and local codes applicable to fire safety. Assist in the development and implementation of fire department policies, goals, and objectives which will formulate our priorities to recommend policy, procedure, and ordinance revisions as necessary. Make presentations before the Township board, commissions, boards, and committees on fire prevention matters as necessary. As required, meet with and assist architects, engineers, contractors, and others involved in the development and construction activities when fire codes, ordinances, or standards may affect those activities. Provide fire prevention contact training to fire

department personnel. Maintain complete, permanent, and accurate records of fire prevention activities that retain authority over a period. Stay current with code interpretations, fire investigations, and public education programs and techniques that can positively impact performance. Supervise assigned personnel in their duties. Coordinate and manage members during non-emergency operations to include; public fire/safety education; maintenance of facilities, apparatus and equipment. Participate as part of management team in reviewing and recommending operational practices for the purpose of improving service to the community. Prepare and ensure that incident and other required reports are accurate and complete. Actively participate in station drills and meetings and remain current in the performance techniques associated with services provided by the department. Maintain a positive working relationship with all department members and staff. Coordinate and exchange life safety information with the Fire Chief, Officers, Firefighters and the community.

Retired 11/20      **Troy Fire Department, Troy, MI**  
**Firefighter**

Pass practical skill and physical agility testing, Train and certify on all fire response apparatus and tools, Drive and operate fire trucks and other emergency vehicles. Respond to emergency calls to affect rescue, protect life and property. Follow direction from superiors during emergency response to ensure unity of command and team effort to accomplish tasks with minimal life safety risk and maximum property conservation. Test and operate water hoses, fire extinguishers, apparatus and pumps, and all firefighting tools and equipment. Establish rehabilitation areas for emergency responses. Prepare and monitor written reports on emergency incidents, status of condition, hazards and risks to be submitted to the incident commander (IC). Communication with the IC for additional safety support. Assess traffic hazards and apparatus placement. Monitor radio transmissions. Conduct fire drills for buildings and make a report regarding the training and drills that occurred. Clean and maintain equipment. Monitor conditions, operation, and other activities. Make sure that the accountability system is being utilized. Provide a risk assessment of incident scene operation using the incident action plan (IAP). Assure the establishment of safety zones, hot zones, collapse zones, and other hazard areas. Direct and command firefighters in station maintenance duties. Train probationary members in various aspects of firefighter procedures. Participate in maintenance duties and attend over 800 hours of in-service training classes, practical's and recertifications to remain current in knowledge and efficiency of firefighting operations and procedures, codes, laws, ordinances, and regulations.

06/87 – 01/91      **RLD Construction, Birmingham, MI**  
**Owner / Builder Contractor**

Renovated historic homes in Indian Village, Boston Edison, Romeo, Almont, Imlay City, Lapeer, Birmingham, Bloomfield Hills, and Bloomfield Twp. Rendered plans for construction projects. Read and evaluated blueprints. Composed estimates and proposals for construction services. Provided construction services and advice to clients. Evaluated and purchased construction related materials. Interviewed, hired, supervised and trained subcontractors and trades for specific construction projects. Consulted with municipal authorities regarding building codes and construction guidelines for various areas. Purchased and renovated homes for resale. Performed quality control inspections. Performed sales presentations. Inspect homes and commercial buildings for clients to help them make informed purchase and renovation decisions.

03/82 – 06/87      **MS Builders, Romeo, MI**  
**Builder Contractor**

Renovated historic homes in Indian Village, Boston Edison, Romeo, Almont, Imlay City, Lapeer, Birmingham, Bloomfield Hills, and Bloomfield Twp. Remodeled kitchens & bathrooms. Constructed additions. Finished basements. Installed roofs, doors, flooring, windows, plumbing fixtures, electrical, structural and finish materials in homes and commercial applications. Inspected and evaluated commercial and residential buildings for renovation. Prepared and painted various materials. Supervised crews. Scheduled projects, trades, inspections, and material ordering and deliveries. Composed proposals. Estimated and evaluated projects. Performed sales presentations. Performed quality control inspections. Interviewed, hired, trained and supervised employees and subcontractors.

### **Education & Training:**

#### **Foundation Failures & Repairs**

ASHI Great Lakes Chapter, Southgate, MI.  
Completed 9/26/15

#### **Lead Paint Constraints, Diagnosis and Remediation**

ASHI Great Lakes Chapter, Livonia, MI.  
Completed 12/9/14

#### **Stain & Odor Solutions**

#### **Nu-Tech Cleaning Systems**

ASHI Great Lakes Chapter, Berkley, MI.  
Completed 4/1/14

**Residential Code**

**Michigan Institute of Real Estate**  
Livonia, MI  
Completed 5/20/14

**Tank-Less Water Heaters**

ASHI Great Lakes Chapter, Royal Oak, MI.  
Completed 10/18/11

**Construction Safety Standards  
Michigan Institute of Real Estate**

Livonia, MI  
Completed 5/20/14

**Thermostat Comparisons**

ASHI Great Lakes Chapter, Livonia, MI.  
Completed 5/13/14

**Flooring Issues**

ASHI Great Lakes Chapter, Royal Oak, MI.  
Completed 9/26/11

**Weatherization**

ASHI Great Lakes Chapter, Rolling Meadows, IL  
Completed 7/17/11

**Renewable Energy & Solar Inspections**

ASHI Great Lakes Chapter, Royal Oak, MI.  
Completed 10/12/09

**Problems With Aging Wiring & The History of  
Electricity**

ASHI Great Lakes Chapter, Schaumburg, IL  
Completed 7/26/09

**Looking For Common HVAC Problems**

ASHI Great Lakes Chapter, Schaumburg, IL  
Completed 7/26/09

**Structural Inspections of Historical Homes**

ASHI Great Lakes Chapter, Royal Oak, MI.  
Completed 11/11/08

**Engineered Lumber, American Plywood Assoc.**

ASHI Great Lakes Chapter, Livonia, MI.  
Completed 9/9/08

**Residential Mold Inspection**

Professional Mold Inspection Institute, Madison, SD  
Completed 8/8/08

**Simpson Strong Ties/Building Code Compliant  
Decks**

Stock Building Company, West Bloomfield, MI  
Completed 8/6/08

**Personal Protection Equipment**

LMX course ID-FFCS SH021  
Completed 7/2/08

**Preparing For Expert Witness Testimony**

ERI Learning Center, Vancouver WA.  
Completed 5/15/08

**Current and Past Certifications, Licensing, and Accomplishments:**

- 1). Guest speaker on the WXYT radio show "Ask the Handyman" with Glen Haege.
- 2). Co Host on the WXYT radio show "Ask the Handyman" with Joe Gannon.
- 3). Author of several articles for the REAL ESTATE NEWS column "Ask the Inspector."
- 4). Qualified as an expert witness for construction and inspection techniques in the State of Michigan.
- 5). Documented as a source of information in the book "How to Successfully Market Your Inspection Business" by Joe Scaduto, President and founder of The Society of Professional Real Estate Inspectors (SPREI).
- 6). Certified Member of the American Society of Home Inspectors (ASHI) (Certification #033801).
- 7). Certified Member of the Great Lakes Chapter of American Society of Home Inspectors.
- 8). Ethic's Committee Member of the Great Lakes Chapter of the American Society of Home Inspectors.
- 9). Licensed by the State of Michigan as a Residential Builder (License #2101083137).

- 10). Licensed by the State of Michigan as a Residential Maintenance & Alterations contractor (License #2101083137).
- 11). Certified Member of the International Association of Electrical Inspectors (CEI #00 1 35497).
- 12). Charter Member of the National Society of Environmental Consultants (Certification # 1645).
- 13). Certified Member of the American Association of Radon Scientists and Technologists.
- 14). Certified Construction Inspector with the Association of Construction Inspectors (CCI #846).
- 15). Member of the (NFPA) National Fire Protection Association.
- 16). RMP Certified with the EPA for Radon Measurement Proficiency. (RMP ID# 2145200).
- 17). Licensed with the State of Michigan as a Real Estate Agent from 1976-1982.
- 18). Quoted as a source of expert information for the Detroit News, Free Press, and Observer Eccentric newspapers.
- 19). Qualified expert construction investigator and witness for the U.A.W. Legal Services Plan.
- 20). Renovation specialist for centennial homes.
- 21). New construction supervisor and consultant on over 50 new home construction projects.
- 22). Trainer for several home inspectors in the Detroit metropolitan area.
- 23). Over 30,000 completed commercial, residential and industrial inspections.
- 24). Served as the General Contractor and General Manager for residential, commercial and industrial build-outs and construction projects.
- 25). Housing and Urban Development (HUD) Certified Inspector.
- 26). Department of Homeland Security Certified.
- 27). National Leadership Award and Honorary Co-Chairman of the Business Advisory Council for A National Congressional Committee.
- 28). Awarded a Gold Medal in 2002 for special service to a National Congressional Committee and The President.
- 29). Ameritech Advisory Board Member.
- 30). Appointed Special Federal Criminal Investigator.
- 31). Member of National Association of Home Inspectors (NAHI) Certified Master Real Estate Inspector (CMRI) designation #200814.
- 32). Preferred Vendor on "ANGIE'S LIST".
- 33). SERVICE MAGIC Approved Inspector.
- 34). Moisture Free Roof Inspection Certification Program Certified Inspector #745.
- 35). Pro-Lab Professional Partners Program Certified (Mold, Contaminants, Toxins and Air Quality).
- 36). Certified Residential Mold Inspector (CRMI #ZMR247).
- 37). Certified Commercial Mold Inspector (CCMI # CMC884).
- 38). Certified Mold Mitigation (CMR #RMD411).
- 39). Member #201698 of the National Association of Mold Inspectors (NAMI).
- 40). Certified Member of the Society of Professional Real Estate Inspectors (SPREI)
- 41). Certified Pest Inspector (CPI #BEN425).
- 42). Certified Manufactured Housing Inspector (CMHI #MFH425).
- 43). Certified Member #217026 of The National Society of Home Inspectors (NSHI).
- 44). Michigan Department of Community Health (MDCH) Michigan Volunteer Registry Approved as a General Support Volunteer.
- 45). Michigan Department of Community Health (MDCH) Michigan Volunteer Registry Approved as an Unlicensed Health Volunteer.
- 46). Registered member of the Michigan Medical Reserve Corps. Detroit Chapter.
- 47). State of Michigan Department of Energy, Labor and Economic Growth Bureau of Fire Services/Office of Fire Fighter Training Fire Fighter 1 & 2
- 48). State of Michigan Department of Energy, Labor and Economic Growth Certified Bureau of Fire Services/Office of Fire Fighter Training HazMat First Responder - Operations
- 49). Certified in Emergency Vehicle Response under Public Act 300.
- 50). State of Michigan Certified Firefighter.
- 51). Retired City of Troy Firefighter with 2 Safety Awards, 2 Unit Citation Awards, 3 Citation Awards of Merit
