2018 – Present **Davis Inspection Services, LLC**, Clarkston, MI
Inspector

Conduct inspections of homes and commercial buildings. Diagnose defects and deficiencies. Advise clients of findings. Prioritize the urgency of needed repairs and replacements discovered during the inspection process. Generate written reports of findings to clients. Calculate and assign cost estimates for repairs and replacements of defects and deficiencies. Investigate and report construction defects and deficiencies. Test for Radon. Test for mold. Test water for contaminants. Scope sewer lines for defects and blockage.

2010 – 2018 **Stanley Black & Decker - Stanley Engineered Fastening Division**, Chesterfield, MI
Quality Control Engineer

Performed hourly visual and quality inspections on metal fastening products. Performed all PPAP (Production Part Approval Process) quality checks for all automotive metal clips before being manufactured. Oversee quality assurance of products, services, and manufacturing processes. Provided engineering support to the quality control department. Developed and constructed test processes and procedures. Worked directly with manufacturing to resolve any quality and hardware defects. Trained all newly hired employees on company quality control protocols. Assigned tasks to technicians to resolve quality defects. Performed instrument calibrations. Maintained and organized quality records and documentation.

2009 – 2010 **KUKA – Automation Technologies**, Sterling Heights, MI
Engineering Assistant

Analyzed and prepared blueprints. Developed a database through PLM (Product Lifecycle Management) to help organize incoming files. Worked in the Trim Chassis Final department updating Bill of Materials, Quotes, and Work Orders. Delivered and picked up engineering and customer prototypes.

2004 – 2009 **MAG Powertrain**, Sterling Heights, MI
Associate Proposal Engineer

Developed process stab charts, and cycle times. Created a photographic database for any new projects being manufactured, Prepared and created Proposal quotes. Rendered CAD drawings for estimating, sales, and proposal departments using AutoCAD.
